Teachers' College, in addition to the scholarship. I accordingly allowed Rs 8/- a month to Subba Rao out of his pay and appointed a substitute on Rs 20 to act for him during his period of training. The Comptroller whom I requested to arrange for the payment of the allowance to Subba Rao at Madras, states in his No $\frac{5422}{24}$ dated the 5th instant, that he is unable to authorise the payment, on the ground that the order quoted above empowered the "Education Secretary to grant such allowance and not the "Inspector General" Under these circumstances I request that Government may be pleased to alter the above order so as to give the Inspector General who takes the place of the former "Education Secretary" power to grant at his discretion a part not exceeding one-half of the pay of an employe in the Education Department, who is selected for a Normal scholarship If this Course does not commend itself, a fresh
